Premiums

Your coverage will go into effect on the first day of the month following receipt of your completed and signed application. All certificates are issued with a common expiration date, April 1. The chart below displays premiums for the first year, as determined by your start date. For example, at the \$100,000 Administrative Defense level, if we receive your signed and completed application on August 23, your coverage will go into effect on September 1, and your premium for that first year would be \$160.65. Subsequent years will be billed at the normal full year rate.
